ATTEND TO YOUR COLDS —A case of five years anding cured by DR. KEYSER'S PECTORAL SYRUP

PITTSBURGH, Jan. 11, 1860. Dr. Keyers:—My wife has been efficied with a bad cough and difficulty of breathing, for five or six years, which, for several years tack, had gradually increased in violence. The complaint has been bereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fity cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privaturou, Nov. 18, 1858.

Dr. Kryski :—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribe ble to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unbesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Cashier Citizens' Deposit Bank.

STEURENVILLE, O., March 14, 1859

I have used Dr. Keyser's Cough Syrup for a bad cough
of several years standing, and can cheerfully say it is
the best medicine for the same that I have ever taken.

J. W. PRICE. COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—Da. Kerses—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. Bknocked the noise out of my cough, and the worst one I was ever affilted with: I have not used more than one-half of the bottle, and I can and do wish that all who are affilted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I sver did. I shall always scknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Da. Kersen: I have a daughter who has taken several medicines for a had cough without benefit—among them Ayer's Cherry Pectoral—I purchased from you a bottle of your PRCTOBAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of he cough.

Robinson street, Allegheny.

PITTESURGE, December, 31, 1853.

A GREAT CURE BY DR, KEYSER'S PECTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February list, and continued eight months. I employed the best physicians in the country, and my cough continued unbated until early in October. At that time I was advised to try your PECTORAL COUGH.

BYRILP, which I dd, and after I had then one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what that one in my case.

Witness—B. M. KERR. Peebles townhip.

PATTON Tr., April 14, 1857.

A WONDERFUL OURE.—Some time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astoniahment of all. What makes the case more remarkable, is the extreme age of the man, he being phonteighty years old. I have no doubt the Pectoral saved his life.

JQHMN' GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN ELAIRS VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles lant week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

J. S. WATTERSON & SONS.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYBUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed,

J. W. BIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"STOP THAT COUGHING."—'How can I do ft?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." In a most stabborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We coughed stastilly and laboriously for one whole week, in hopes of the first of the steps, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the steps, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it secording to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drownsville Cispper, Dec. 14, 1859.

DEAR MADAN:—The reputation of the Medical Discovery, in curing all kinds of humory, is so well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in religiving all, and curing most or those discusses to which you are described and in light. That must respectively disease to an affectionate mother,

which is nothing but canker on the stomach; then to the creating a sinking, gone feeling, and an indifference even to the cares of your family.

RAW AND INFLAMED, your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonous fluid of the canker eats it up: then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone. For want of nourishment your system becomes losse and flabby, and the fibres of your body be come relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to PURE;

Palpitation of the heart, pair in the side, weakness of the spine and small of the back, pair of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the PILES. How many thousand of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress or your mind that good old proverb, "An ounce of prevention is better than a pound of cure," In the
